Teachers, attuned to the vibes of the Workshop on Implementation of NEP and Outcome based TLEP, that we conducted during the third week of May, all teachers are hereby very strictly directed to prepare and hold classes only in the pattern prescribed in NEP and Outcome based TLEP.

You shall definitely avoid all pedagogies that lead the student towards rote learning; instead, you adopt a perfect pedagogy in the model given during the workshop so that the students should get practice to develop their skills, competency etc. that lead towards creativity, innovation etc. while they learn each lesson and topic.

Also, you shall design your Annual / Termly lesson planning only according to these norms and submit it in the revised format set as per the NEP on or before Friday in the first week of June 2025. The Monthly / Weekly lesson plans shall be submitted on the first working day of every month.

These directions shall strictly be complied by all teachers, failing which will be considered dereliction of duty and will lead to the consequent action.
